ALHAMDULILLAH LICS IS 39 YEARS OLD

Thirty-nine years ago, in Brother Abdool Alli's home an amazing, unique and dynamic Society was formed by a small group of Muslims. The aim and objectives were to provide a place for our community especially our children where we could provide facilities for pray, teaching, social and recreation/leisure.

Alhamdu lillah our journey has been amazing, filled with happiness, sadness, and many many obstacles. Obstacles did not deter our dynamic, dedicated leader Brother Alli and his staunch, supportive team. Visions became a reality as LICS established the First Purpose Built Mosque/Community Centre in the London Borough of Haringey.

From a house to school halls and to our home in Wightman Road. Many joined us, some left but through these trials and tribulations Allah swt guided us to where we are now. We pray and beg Allah to continue to watch over us and our Masjid, protect us from evil eyes and grant us the ability to progress with our religion forever in our hearts. Ameen

EXTRACT FROM BROTHER ALLI'S SPEECH:

A message to the community

... I was blessed by the Almighty to serve you in my capacity as President of LICS; a Society that is within my heart and has been for over 35 years since that day that it was established in my home. I am grateful to the Lord for allowing me to serve my community and I consider it a privilege to have been able to work for the benefit of the Muslim and wider community. But I could not do it without all of you and all our friends of LICS ... I acknowledge the unique and inspiring achievement we made by working together and I shared my concern about the debt on our masjid many times. I always begged for our beloved masjid.

At this moment of writing these few words I do not know if I will be able to fulfil the task that Allah has blessed me with that is to FREE this masjid of debt before I leave but I know that my daughter and my Trustees and all those with her will do what I cannot achieve. I have also asked many of you who have visited me to help and support her in the task ahead, you know who you are.

Alhamdulillah He allowed me to make sure that the Mosque and extension was erected and that this centre benefits so many families. I saw our initiative work for the community, and we triumphed in our determination to build and establish a place for our people, our children, our women and families. I am happy that the Lord blessed me with this task.

I want you all to know how important you all are and how grateful I am to you as together we have made tremendous achievements. All of you played an important role those who supported and those who didn't or left us. The weight on our shoulders will be lifted and we should all lift our hands in prayers to Allah on that miraculous day that we can say those words of joy. . .

Abdool Alli, President LICS March 2018

"Whoever is created for jannah will forever be afflicted with calamities, the believer remains firm and never complains and the concealment of pain and affliction is one of the attributes of the great so know full well that you weren't denied except to be given, and you weren't afflicted except to be cured, nor were you tested except to be purified." - Ibn Al-Qayyim (rh)

Ramadhan Mubarak

THE MONTH OF HEROES AND VICTORY

No doubt Ramadan is very special to Muslims. In this month marked for forgiveness and mercy, it is important to tie our past to our present, and learn from the Prophet (SAW) and his followers regarding what Ramadan meant to them. We want to shine some light on critical events that changed the course of the Muslim Ummah and humanity at large.

The First Revelation

"Ramadan is the month in which was sent down the Quran as a guide to mankind also clear signs for guidance and judgement." [2:185]

Purification of Mecca – 8 A.H.

The Treaty of Hudaibiyya had been broken. It resulted with the Prophet (saw) conquering Mecca without a battle; 20th of Ramadan.

Fall of the Mongols – 658 A.H.

The Mongols were sweeping across Asia destroying everything in their path. Allah (SWT) raised from the Mamluks of Egypt, Saifuddin Qutuz, who united the Muslim army and defeated Mongols at Ain Jalut.

Salahuddin Ayyubi – 682 A.H.

Salahuddin Ayyubi fought one of the most important battles in Islamic history. In a single day, the Muslims virtually routed out all the Crusaders and liberated Palestine.

Battle of Badr – 2 A.H.

Friday 17th of Ramadan, Allah (SWT) gave the Muslims a decisive victory at Badr; that never to be forgotten despite being outnumbered.

Liberation of Spain – 92 A.H.

Spain was under the tyrannical rule of King Roderic of the Visigoths. Tariq ibn Ziyad defeated the Visigoth army and began the Golden Age of Al-Andalus where Muslims ruled for over 700 years.

"The strong believer is better and more beloved to Allah than the weak believer, although there is good in each. Desire that which will bring you benefit, and seek help from Allah and do not give way to incapacity. If something happens to you, do not say, 'If only I had done such-and-such.' Rather say, 'The decree of Allah. He does what He will.' Otherwise you will open yourself up to the action of Shaitan." - Prophet Muhammad (saw)

AL HAKAM

Allah's name Al-Hakam - The Judge, The Giver of Justice, The Arbitrator - occurs on one occasion in the Quran. He is the One who always delivers justice, in every situation, to everyone. Al-Hakam never wrongs anyone and is never oppressive, He is the only true judge; no one can overturn His judgment and no one can ever appeal His decree!

In Islamic Culture, the garden is above all the essence of elements of Creation: Creation itself is a garden. This garden is at the heart of all the flowering Islamic civilization: beauty, mathematics, architecture, spirituality, poetry, botanic sensibility, hydraulics, biodiversity... But at the same time it also hides the secret of Islam, and all the gifts in this world and in the next: contemplation, peace, gratitude, conviviality, sensuality and including eternal rest.

Islam is the ultimate and final blueprint for life, sent down by Allah (swt) to Muhammad (saw), the last and final messenger for the whole of mankind. Thus, the only way of life ordained for humanity by the Creator of the universe is Islam, Allah (swt) says: "If anyone desires a deen other than Islam, never will it be accepted of him, and in the hereafter he will be in the ranks of those who have lost." (TMQ 3:83) and He also says "Oh you who believe, fear Allah as he should be feared, and die not except in a state of Islam." (TMQ 3:102)

LICS HISTORY AND BACKGROUND / *Haringey's First Purpose Built Mosque*

LICS is a unique and dynamic organisation who work in partnership with communities countrywide to provide essential services to our users and local community. We provide educational services, youth programmes, counselling, advice on welfare benefits, marriages, support with problems such as relationship breakdown, funerals, and support for the elderly and families, observance of Islamic events, in addition to religious guidance. The future of our communities rests in the hands of our youths, they need guidance and support to understand and shape the future. LICS are committed to working for peace and harmony within our communities.

1983

JULY 1983

London Islamic Cultural Society was formed by a small group of Muslims predominantly from Guyana, South America who saw the need to bring together its members both religiously and socially. The primary aim of the Society was to engage, communicate and support the diverse community by establishing a Mosque/Cultural Centre and to provide essential services which would also benefit the wider multi-ethnic community. LICS was officially registered in 1983 as a charity governed by its constitution. Before LICS was formed into a charity and subsequently once established all gatherings and observation of Islamic/cultural events were held in our first 'home' - the home of our President, Abdool Alli and as numbers grew, the Society began using school halls.

1985

24 MAY 1985

LICS purchased its first building, a house in Parkview Road, Tottenham N17 for a price of £41,260. Funds for this purchase were raised by donations and Interest Free Loans and were fully paid prior to its sale. Our first centre in Park View Road very quickly became too small for this progressive, dynamic Society as numbers of users grew.

1987

06 JULY 1987

LICS went on to purchase 389-395 Wightman Road, N8 at auction for a price of £150,500. This building was originally the home of the Hornsey & Wood Green Synagogue. Proceeds from the sale of Park View Road, donations and Interest Free Loans collectively freed this building of debt. This centre allowed the Society to provide better facilities for our users and secured our commitment to working in harmony with all schools, faith groups, the council, other agencies, hospitals and the Police to secure a brighter and better future for all people in our community. As the Mosque/Cultural Centre developed it was quickly realised that more space was needed for our ever growing users, in particular better facilities for our sisters and their families.

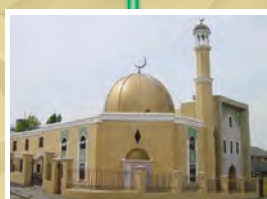

1991

31 OCTOBER 1991

Following discussions with Haringey Council, LICS negotiated and purchased land adjacent to our existing building for £32,500. Outline planning permission was also agreed by the council for LICS to erect a purpose built Mosque/Cultural Centre. Users and members once again raised the purchase price so that the land was free of debt shortly after acquisition.

1998

15 SEPTEMBER 1998

Building works commenced to erect the 'first purpose-built Mosque/Cultural Centre' in Haringey. A dream became a reality and for this we have to commend our President, Brother Abdool Alli for his visionary leadership, his foresight and burning ambition to succeed and to provide something for the people in our community. The task of undertaking construction of a building this size was an enormous one and filled with many pitfalls but supported by a dedicated team of helpers working together we achieved what seemed to be impossible. Our young brother Haroon Phobee designed the new building and obtained full planning permission in 1996 and Al-Haj Mekaeel Maknoon provided legal guidance. Both brothers offered their services free of charge and have been omitted to LICS throughout. Brother Capan Er helped LICS by provided skilled craftsmen to complete the beautiful building we have today.

2012

12 JULY 2002 / 25 AUGUST 2002

The new Mosque was officially opened with representatives from the council, Police, Faith Groups, dignitaries and members of the community. LICS became a Trust with a Board of Trustees.

END OF JUNE 2004

By this date the Society successfully raised the sum of 1.2 million by interest free loans, donation and other forms of fundraising. On this day all outstanding funds was raised and the building became free of debt, Alhamdulillah. A thanksgiving event was held on 18 July 2004.

14 MAY 2012 – BUILDING WORKS BEGIN

LICS announces its commitment to provide additional educational facilities and better accommodation overall. The Society leases a building, Willmott House, nearby as it embarks on a new development to erect two additional floors above the old Mosque. This new done to keep services running and to continue services such as the madrassahs. Feasibility of this new project was investigated as the Society worked hand in hand with Haringey Council to agree on the new aproject. The new development estimate was 1.5million plus the cost modernisation to the existing Mosque area such as wudu facilities and works on merging the two buildings.

JULY 2013 – BUILDING WORKS COMPLETED

LICS has raised a significant amount and in July 2013 building works was completed on the new extension be Brother Capan Er of Er Building Services. Users benefited when using the new facilities in Ramadan 2013.

11 MARCH 2018 – LICS FOUNDER RETURNED TO ALLAH

On the 11th March 2018 our dearest, dynamic and caring President, Brother Abdool Alli passed away. It was his dearest wish that the Masjid should be FREE of debt. At the time of Bro. Alli passing LICS owed 98k but with determination and commitment LICS realised his wish by raising enough funds to free the masjid of debt in September 2018. Alhamdulillah
